

Mitar Mijatović

Bullding reliable software that makes businesses run smoother.

📍 Nikšić, Montenegro | ✉ mitar@mitrotech.me | 📁 B2B only

Profile

Fullstack Developer with 5+ years of experience in building and maintaining web, mobile and desktop applications. I work mostly with Java, Spring Boot, React and TypeScript, with a strong focus on clean architecture, maintainable code and reliable systems. I enjoy solving complex problems, working with teams and turning requirements into solid software.

Experience
